

SNACKPOCHETTA

PREPARE, PACK AND SERVE IN ONE SWIFT MOVEMENT – THANKS TO ELAG SNACK-POCHETTA!

The paper napkin comes already inserted - with our SNACKPochetta restaurateurs can boost their snack-to-go business. Each product can be inserted in the appropriate SNACKPochetta size to guarantee an enjoyable experience. The integrated napkin is useful and hygienic as it does not come in direct contact with the waiting staff or food.

AVAILABLE IN 4 FORMATS

SNACKPochetta® is available in 4 different formats, to ensure that any sandwich has a matching SNACKPochetta. It is available open on 2 sides or only on top as per illustration below.

BENEFITS AND FUNCTIONALITY

- ~ **Available in brown or white paper**
- ~ **Dense and open pouch:** The sandwich can be inserted directly and your meal is ready.
- ~ **A paper napkin is already integrated:** Napkin wastage is greatly reduced. Only one napkin is needed per bag and customer.
- ~ **Grease-repellent material:** All the food falls back into the bag and there will be no more stains on the guest's clothes.
- ~ **Open on 2 sides or on top only**
- ~ **Hygiene:** The napkin is only touched by the customer.
